Crowned on nearly an acre of professionally landscaped property is a 5 bedroom/5 bathroom home with space for all and generous flexibility. Pass through the large covered porch with a relaxing private sitting area, and you will enter the welcoming shiplapped foyer that opens to a large kitchen. The kitchen is equipped with two large work sinks; one farmhouse and one oversized stainless steel, a double door stainless steel Sub Zero refrigerator, Wolf dual fuel range, and an extra large island that seats four and includes a wine/beverage cooler and double refrigerator drawers and many other features including Scotsman nugget ice maker. Through the kitchen French doors you will find yourself in the next world of entertaining surrounded by the relaxing sound of the fallingwater from the centerpiece fountain. End the day in your thermal spa and on those special evenings gather the family for s'mores around the firepit. The arched brick entrance to the spacious family room invites you to cozy up by the fireplace, grab a book from the surrounding custom bookshelves and relax. Master bedroom on the main floor with the en-suite spa master bath and a master closet with center island. Four additional bedrooms and bathrooms, and many other features such as an extra large game room with fireplace and bathroom, additional storage, three car garage, you will not be disappointed when you visit!
